

Shift your ECD Career into Top Gear with The Read Institute

After a year full of uncertainty during the Covid-19 pandemic, one thing is certain: distance education is a certain way to hone one's skills and improve tertiary qualifications.

The Read Institute has over 20 years of experience in the Early Childhood Development (ECD) arena, and currently offers an accredited NQF Level 4 qualification, allowing an educator to acquire the necessary skills to work with babies and toddlers in a crèche setting.

No price increases for 2021

The Read Institute is pleased to announce that course fees will remain the same for 2021, and candidates are able to negotiate payment terms of six, 12 or 18 months.
